

Sheep Brain Anatomy

Mid-Saggital

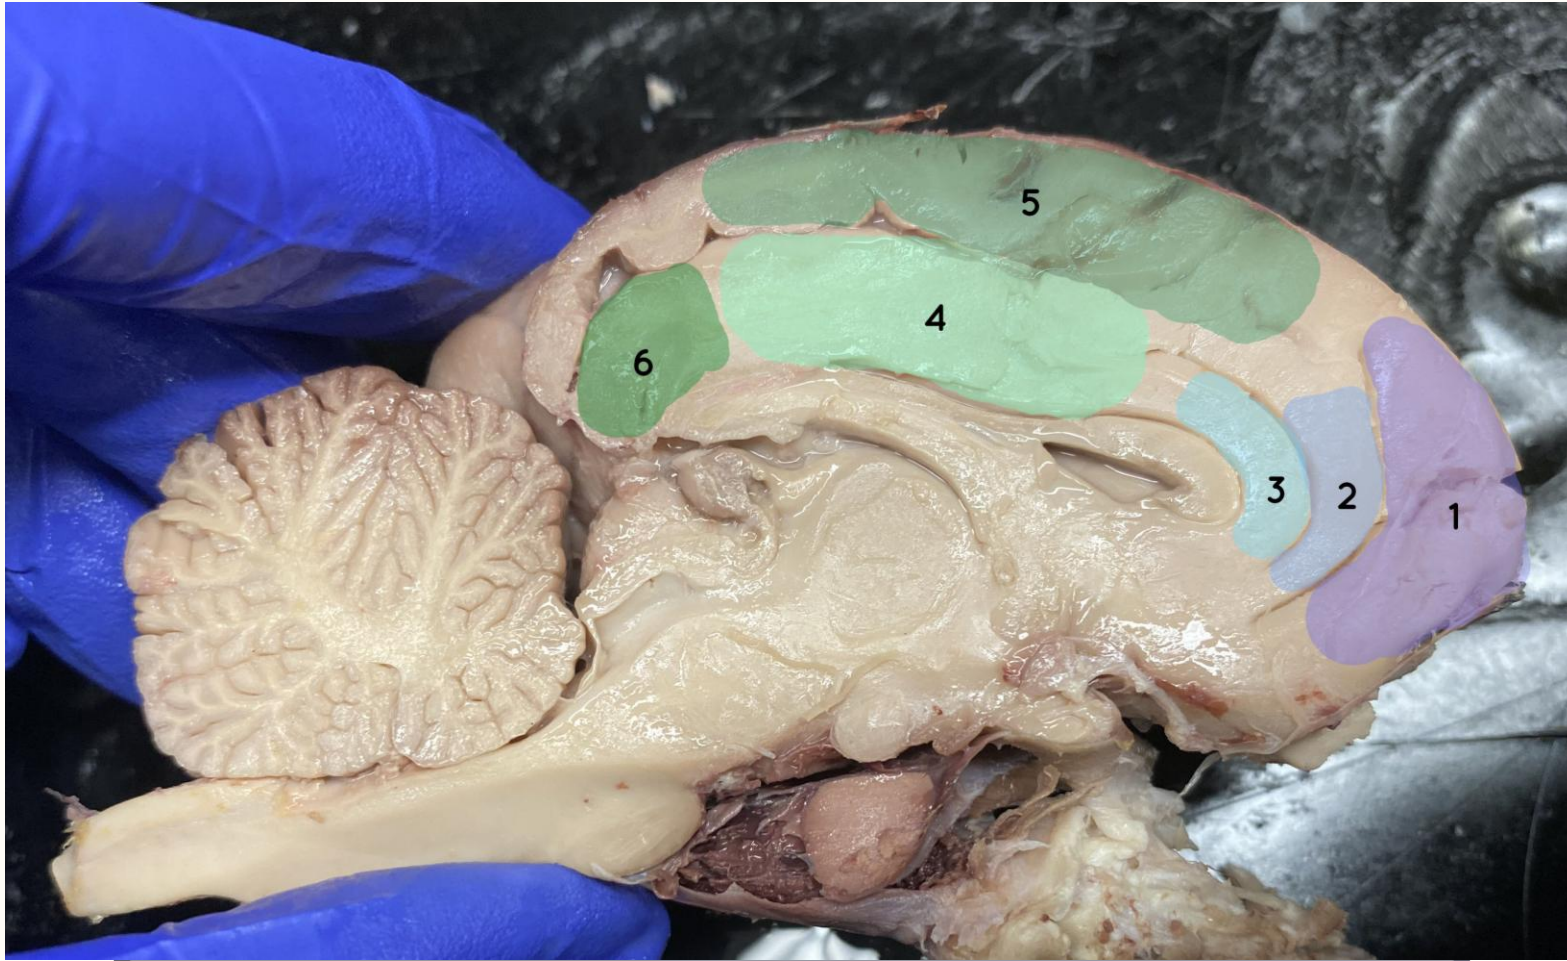

Gyri

Key Structures

- Gyrus Rectus
- Paraolfactory Gyrus
- Sub-callosal gyrus
- Cingulate Gyrus
- Marginal Gyrus

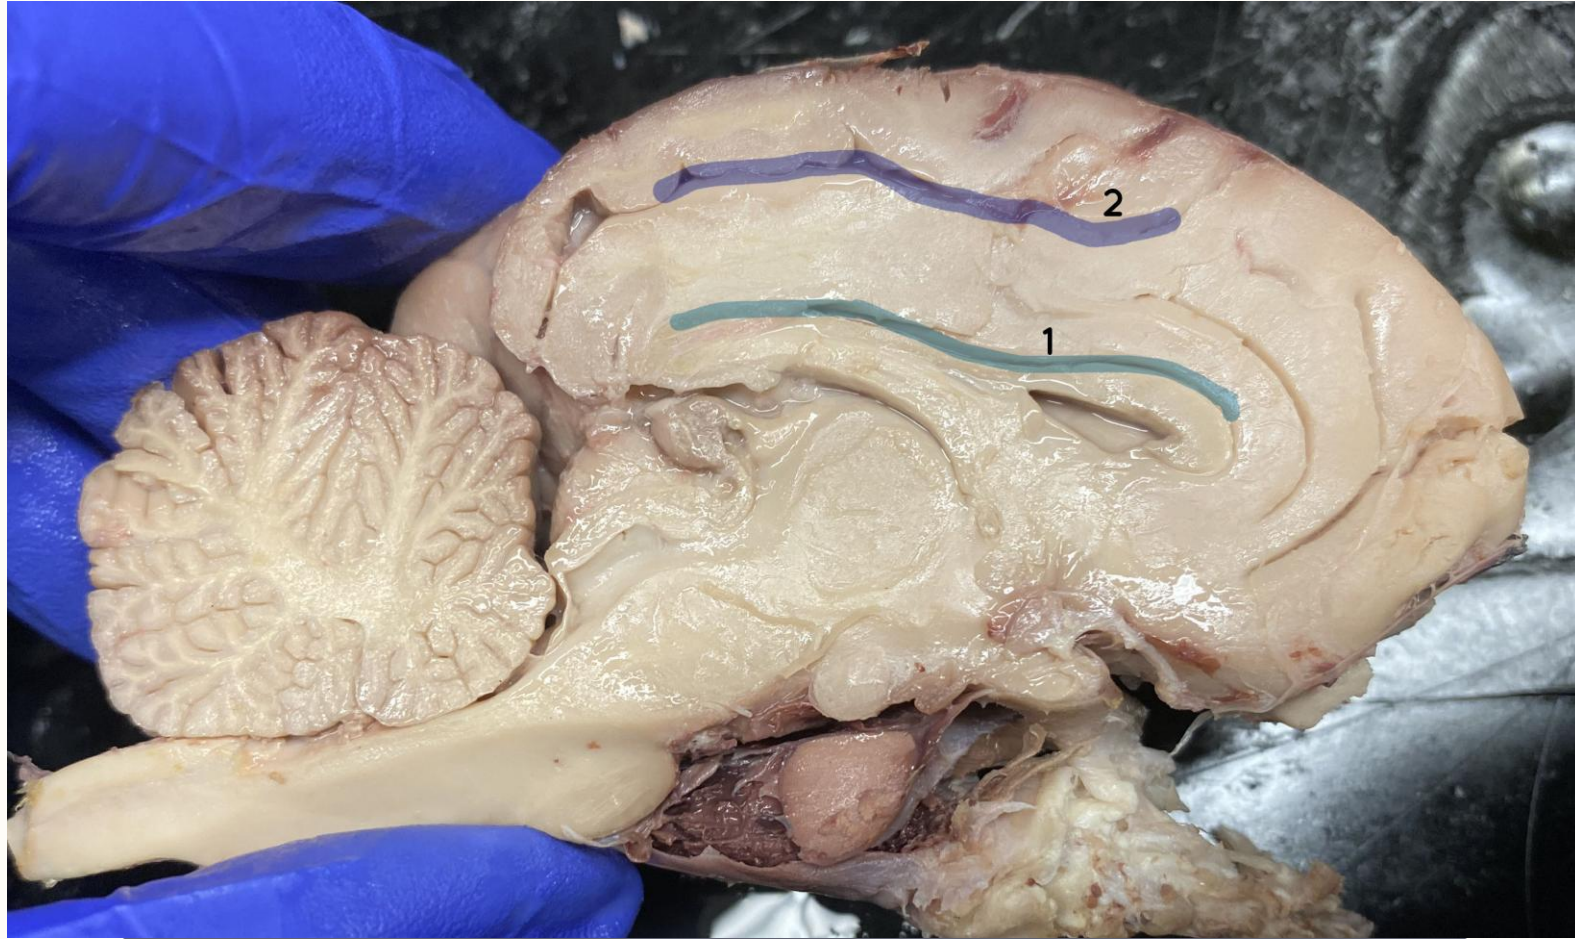

Gyri

Key Structures

1. Gyrus Rectus
2. Paraolfactory Gyrus
3. Sub-callosal gyrus
4. Cingulate Gyrus
5. Marginal Gyrus
6. + Retrosplenial cortex

Sulci

Key Structures

1. Callosal sulcus
2. Cingulate sulcus

Corpus Callosum

Key Structures

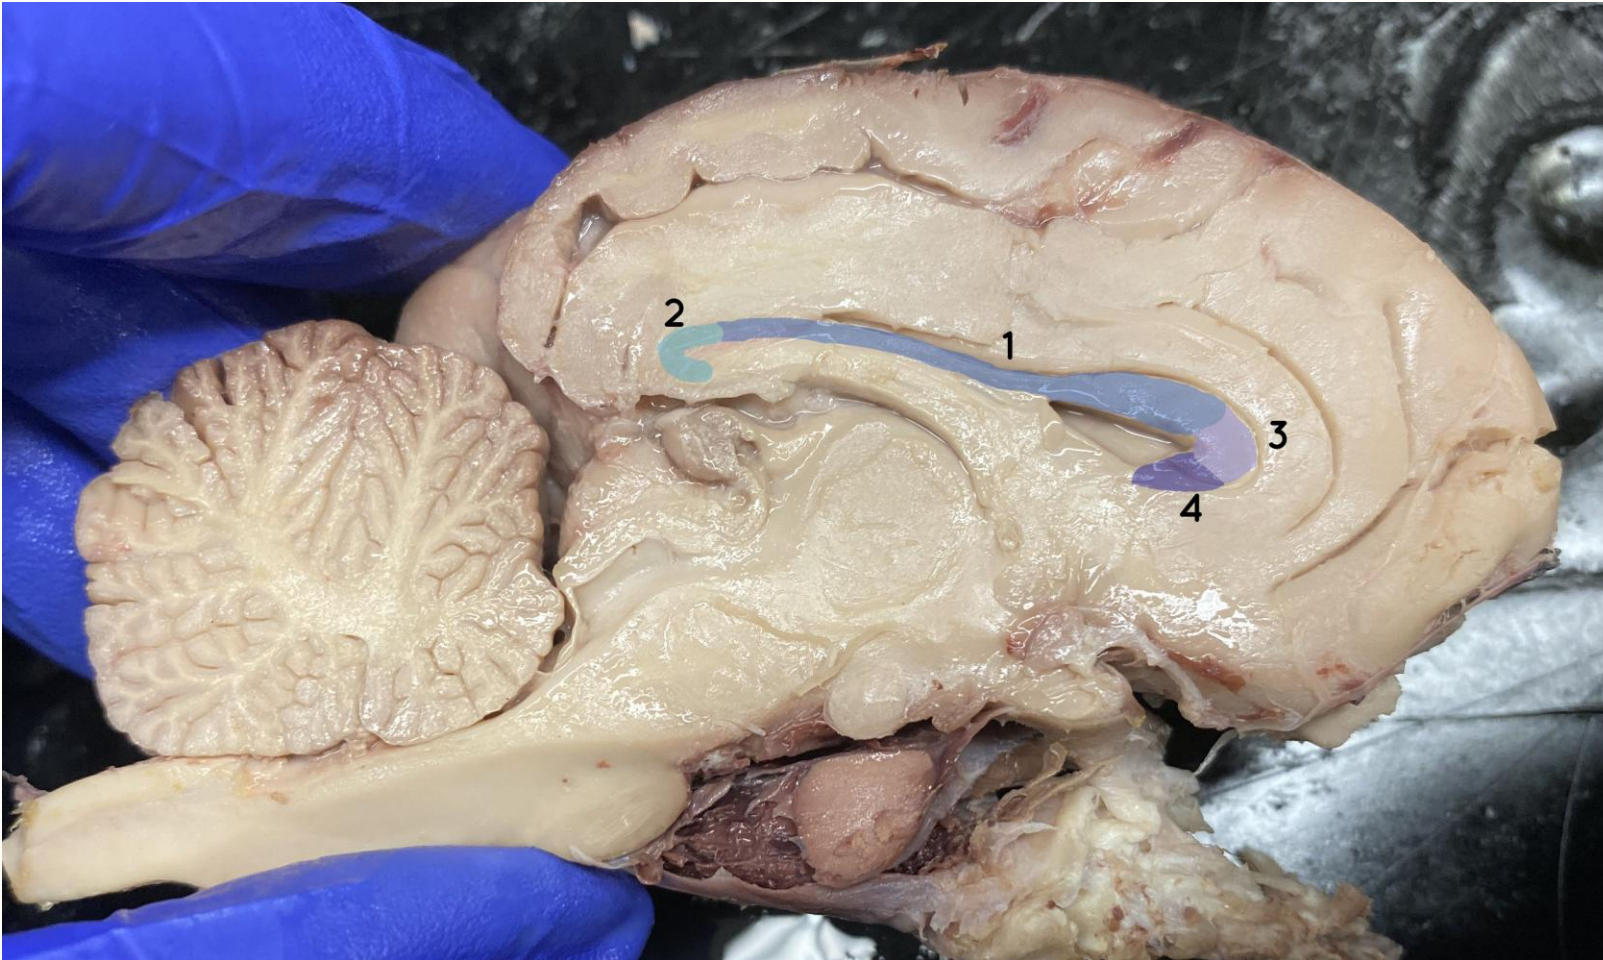

- Body
- Splenium
- Genu
- Rostrum

Corpus Callosum

Key Structures

1. Body of the CC
2. Splenium of the CC
3. Genu of the CC
4. Rostrum of the CC

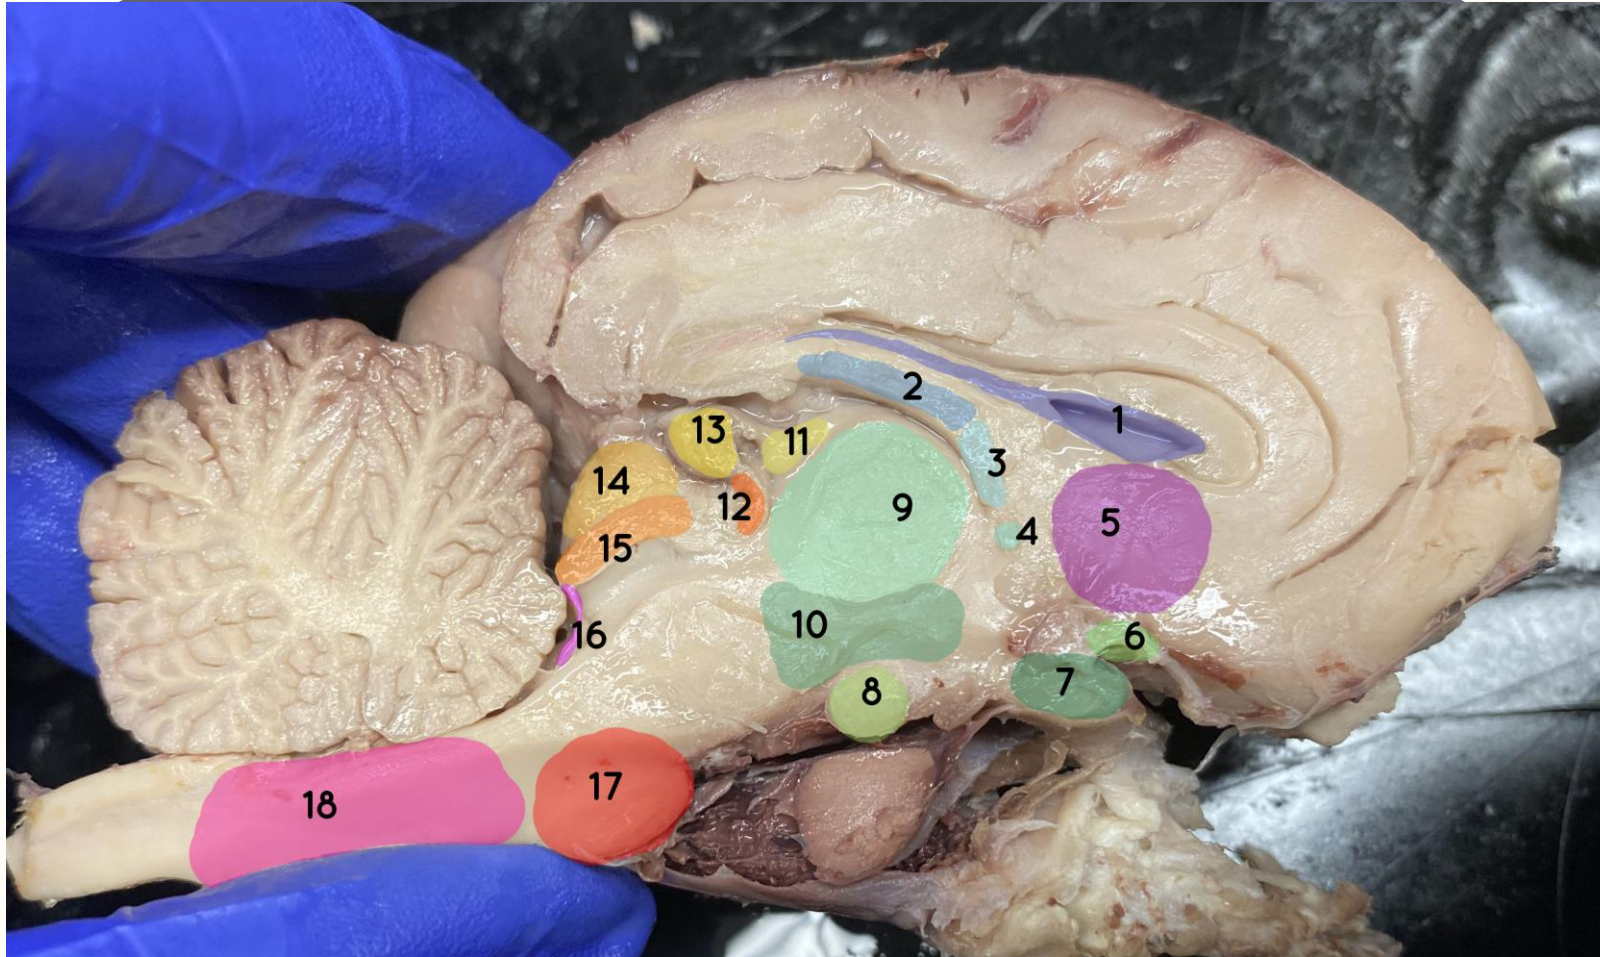

Inside bits

Key Structures

- | | |
|--------------------------|-----------------------------|
| – Septum Pellucidum | – Habenula |
| – Body of fornix | – Posterior Commissure |
| – Columns of fornix | – Pineal Gland |
| – Anterior Commissure | – Superior Colliculus |
| – Diagonal Band of Broca | – Inferior Colliculus |
| – Optic Chiasm | – Anterior Medullary Vellum |
| – Mamillary Body | – Pons |
| – Thalamus | – Medulla |
| – Hypothalamus | – Septal area |

Inside bits

Key Structures

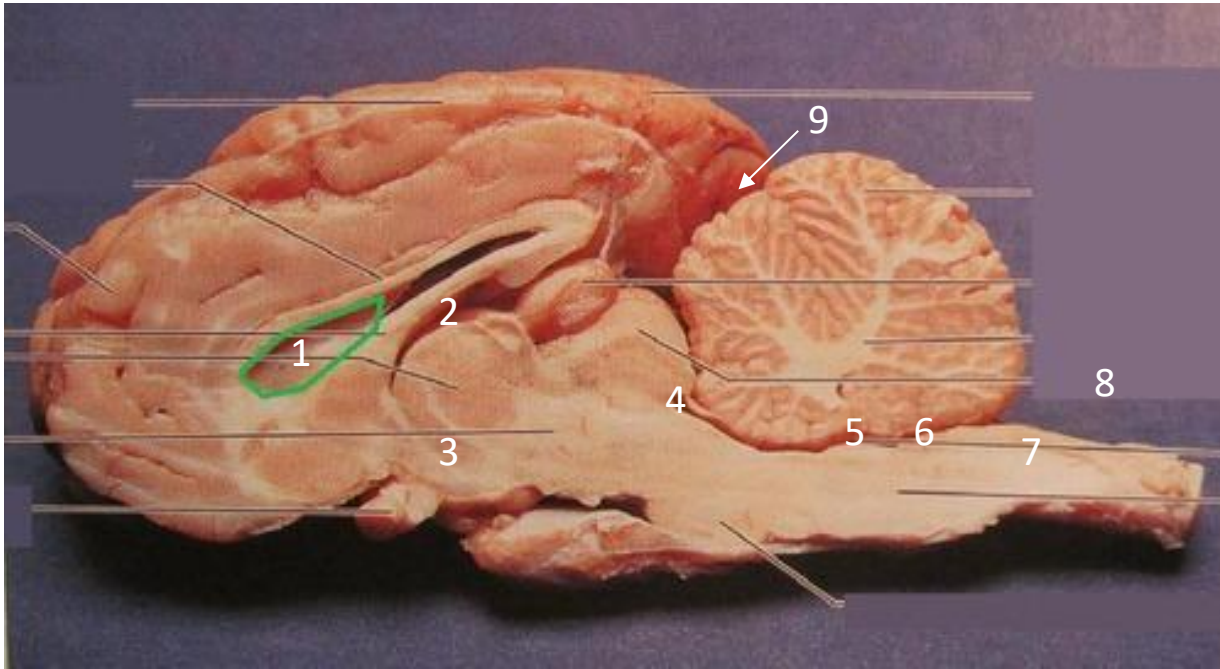

- | | | | |
|-----|------------------------|-----|---------------------------|
| 1. | Septum Pellucidum | 11. | Habenula |
| 2. | Body of fornix | 12. | Posterior Commissure |
| 3. | Columns of fornix | 13. | Pineal Gland |
| 4. | Anterior Commissure | 14. | Superior Colliculus |
| 5. | Septal Area | 15. | Inferior Colliculus |
| 6. | Diagonal Band of Broca | 16. | Anterior Medullary Vellum |
| 7. | Optic Chiasm | 17. | Pons |
| 8. | Mamillary Body | 18. | Medulla |
| 9. | Thalamus | | |
| 10. | Hypothalamus | | |

Ventricles

- Key Structures and Sequential Flow
 - Lateral ventricle
 - Interventricular foramen
 - 3rd ventricle
 - Cerebral aqueduct
 - 4th ventricle
 - Median aperture
 - *Lateral aperture is directly opposite on the lateral/outside of the brain*
 - Central Canal
 - Cisterna Magna
 - Superior Cistern

Ventricles

– Key Structures

1. Lateral ventricle
2. Interventricular foramen
3. 3rd ventricle
4. Cerebral aqueduct
5. 4th ventricle
6. Median aperture
 - *Lateral aperture on outside*
7. Central Canal
8. Cisterna Magna
9. Superior Cistern
